- Bootstrap

Experience

I-Tech Computer Education

2024 - 2025

I Completed An Internship At I-Tech Computer Education As A Front-End Developer, Where I Worked With HTML, CSS, JavaScript, And Advanced Topics Like JSON And API Integration. During My Internship, I Developed A Front-End Real Estate Website Named RG Developer And Built A WordPress WooCommerce Website For A Spices Shop, Along With Other Responsive Web Projects.

QloudSoft Solutions

2025 - 2026

I Worked At QloudSoft Solutions As A WordPress Developer, Managing WordPress Websites And Handling Front-End Development With Strong Knowledge Of Front-End Technologies. I Delivered Multiple Client Projects With Custom-Coded Dynamic Functionality, Creating Responsive, Data-Driven Websites. I Am Skilled In Client Communication, Website Design, And WordPress Development While Managing Projects Efficiently.

Projects

The BeautyGarage

I Developed The "The Beauty Garage Salon" Website Using WordPress (Elementor Editor) Along With Custom Code Integrations. The Website Showcases A Wide Range Of Beauty And Hairstyling Services.

A4N Realty

This Website Showcases Builders And Developed Projects, Including Residential And Commercial Developments. It Is Built On WordPress (Elementor Editor), Utilizing Custom Code For Better Design To Make It More Attractive With Hover Effects And Project Cards.

Website Link: <https://a4nrealty.com/>

Kwik kquality Fastener PVT LTD

This Website Showcases Industrial Fasteners Like Bolts, Nuts, Screws, Washers, And Stainless Steel Products, With A Custom Handmade WordPress Design. Over 300 Product Pages Were Created Efficiently Using PHP.

D Corner

This Website Belongs To D Corner, A Creative Service Specializing In Social Media Post Designs. Most Sections Were Built With Custom Code According To The Client's Requirements, As The Elementor Templates Had Limitations And Could Not Be Edited Directly.
